Online Services ("Services"). In connection with your use of the Software, you may have access to information and Services provided by your local, and/or regional multiple listing system - often governed by a board of realtors, and other third party MLS software providers. These Services may include private or proprietary and protected informational databases. If you decide to use such Services, you are responsible for reviewing and understanding the terms and conditions governing any of these Services - and to obtaining permission to use such Services for your own purpose. Your participation in such Services indicates your acceptance of such terms and conditions. Access to certain Services can be through the optional use of a user account (PIN) with password. The Software allows you to store your designated PINs and passwords for multiple RETS-enabled MLS systems in one place. The PIN Vault does not provide cryptographic protection to your data, but factors such as a well-chosen password, physical security for your computer/server and proper safeguards when you use a network or the Internet are all important factors in the set of protections necessary to provide security for your data. Because most of these factors are beyond Franklin Lee Enterprises, LLC's control, you agree that Franklin Lee Enterprises, LLC is not liable for safeguarding your PIN and password data. Your access to the Services may be limited from time to time, depending on the service provided by your internet service provider or your MLS or other third party. You may be billed for the Services by your MLS or other third party, not Franklin Lee Enterprises, LLC, and such MLS or other third party may have its own service agreement which will govern the Services it provides. You agree to be responsible for all charges associated with your Internet and Service usage. You may be required to register with Franklin Lee Enterprises, LLC or a third party in order to use the Services. Your use of the Services may be subject to additional terms and conditions. All Services are subject to change.

FRANKLIN LEE ENTERPRISES, LLC IS NOT LIABLE FOR ANY DAMAGES INCIDENTAL, INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY, INCLUDING LOST REVENUES OR PROFITS, LOSS OF BUSINESS OR LOSS OF DATA, IN ANY WAY RELATED TO THIS SOFTWARE OR FOR ANY CLAIM, LOSS OR INJURY BASED ON ERRORS, OMISSIONS, INTERRUPTIONS OR OTHER INACCURACIES OF RETSBOND SOFTWARE (INCLUDING THE ORGANIZATION OF DATA USED FROM THE MLS). NOR SHALL IT BE LIABLE FOR THE MISUSE, UNAUTHORIZED USE OR ILLEGAL USE OF COLLECTED DATA FROM AN MLS DATABASE. THIS INCLUDES ALL THIRD PARTY USERS OF RETSBOND AND THEIR SUBSIDIARIES. Each party shall indemnify and hold the other harmless for any

losses, claims, damages, awards, penalties, or injuries incurred by any third party, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party shall have the sole right to defend such claims at its own expense. The other party shall provide, at the indemnifying party's expense, such assistance in investigating and defending such claims as the indemnifying party may reasonably request. This indemnity shall survive the termination of this Agreement.

The Software is to be used to gather listing data from a Real Estate MLS operating on the RETS standard for the express purpose of listing this data on a separate Realtor, Brokerage, or individual Agent's web-page or through social networking tools, kiosks, and other public media. User is subject to all local Board of Realtors conditions and terms, as well as any Local, State, and Federal Laws which may govern the use of data available on an MLS. Use of such data is completely at your own risk and liability.

Export Law Assurances. You may not use or otherwise export or reexport the Software except as authorized by United States law and the laws of the jurisdiction in which the Software was obtained. In particular, but without limitation, the Software may not be exported or reexported (i) into (or to a national or resident of) any U.S. embargoed country or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nations or the U.S. Department of Commerce's Table of Denial Orders. By using the Software you represent and warrant that you are not located in, under control of, or a national or resident of any such country or on any such list.
